Agriculture raisonnée

History

Family domaine located in the heart of Auxey-Duresses since 1650.
They are specialist for the Auxey Duresses wines both in red and white.

Work in the vineyard with a great respect for the Terroir, hand picked
harvest since the beginning.

The top value of the domaine

A constant quality, with pure and net wines.

The vineyards are between 35 and 50 years old.
Elevage in barrel for 12 months, bottling non finned, non or lightly
filtered (only if really needed for the whites).
