Domaine Clair Françoise et Denis

History

The Domaine Françoise et Denis CLAIR was created in 1986, at first it was only stretching over five hectares of Pinot Noir in the district of Santenay. As years passed the Domaine expanded, (buying and renting parcels of Chardonnay) mainly in Saint-Aubin, where Françoise was born and where the winery is located. Now Jean-Baptiste, the son, is working on the domaine; he also created in 2000 a small structure for négoce.

The top value of the domaine
Each and every year the vineyards seeks to improve it's wines' quality and is mentionned in specialised guides on a regular basis.

The wines
Bourgogne, Saint Aubin and Santenay for the reds,
Bourgogne, Saint Aubin, Santenay and Puligny Montrachet for the whites, with several parcels of village and 1er Cru on each color.

The wines are bright, straight forward, net, well balanced; bringing a lot of pleasure. A very good value for a wine by the glass.
