

Domaine Leclerc René

GEVREY CHAMBERTIN

Rouge - Village

DOMAINE LECLERC RENÉ

History

The Domaine René Leclerc is a family domaine of 10 hectares in the village of Gevrey-Chambertin. Taking over two domaines : Domaine Roger Leclerc and Domaine René Bernollin, René and Aleth created the Domaine René Leclerc in 1962. They had a new cellar built behind their house in 1980. Since 30 years, Hélène and François are interested in the domaine. Now François is the winemaker.

Vines & Wines

Vineyards size

10 hectares

Farming

lutte raisonnée with hints of organic agriculture

The top value of the domaine

No new oak to avoid hiding the typically of the Terroir.

The wines

The grapes are pressed in an old press of 1951; no new oak is used.

Wines are bottled non fined and non filtered.
