Domaine Nudant

History

In 1453, during the Charles le Téméraire period, a man named Guillaume Nudant was already making wine. In 1747, during the Louis XV reign, André Nudant was born in Aloxe and worked his vines in Ladoix. It's the latest André, in 1950, which expanded the estate. His son, Jean-René, joins him in 1978 and 25 years later Guillaume makes his debut.
