

Domaine Gallois Dominique

Gevrey Chambertin 1er Cru Combe aux Moines

Grape Pinot noir

Location A small combe cutting harmoniously into the hillside, it produces a sought-after wine.

Sub-soil The soil is clay-limestone, on slabs of rock, with very little earth. The vines are on steep slopes (at 340-380m), ideally exposed to morning sunshine.

Vines This parcel was planted in 1954. Its yield is never too high and grape healthiness is often perfect. Annual production touches on 2400 bottles.

Vinification 40% of new oak during 18 months

Food pairing Characterized by beautiful length, this wine is very well balanced. Its texture is remarkable; it is a vivacious wine with well-integrated tannins. It offers aromas of small black fruits: blackcurrant, blackberry and myrtle berry. It is a very good wine for keeping which will reach its peak at around 5 or 6 years. This appellation is clearly successful for us and often highly-rated at tastings.

Domaine Gallois Dominique

Vineyards size

5,5 hectares

Farming

Agriculture raisonnée

Some parcels are worked with a horse

The top value of the domaine

A huge respect of the Terroir, and a grower with a lot of humility.

Fantastic wines !

Perfect quality with taste of fruit well balanced with the used of barrels.

A very cold cellar slows down the malolactic fermentation which lives time for the wine to express !
